- 1 paperback dictionary
- 2 packs of 3" x 5" Post-it-Notes
- 1 pack regular sized index cards
- 1 large box of tissues

- 1 container of Clorox wipes
- 1 package of re-sealable baby wipes
- Oversized old t-shirt or apron for arts & crafts
- Backpack without wheels
- PE bag with labelled PE uniform
- Lunch box, water bottle, cloth napkins, hat
- **\$2 in envelope marked “Music Folder” c/o Ms. Sontag**

You won't need any notebooks as we have already ordered them for you. Just bring your great attitude and desire to learn new things.

We REALLY hope that you have tons of reading experiences over the summer. Keep a log of your summer reading so you can AR test all your books in September! 😊 Please bring in a book that you are reading on the first day of school. For those that want to get a head start, we've attached the high frequency word list for Grade 3.

Don't forget to have fun with Math this summer as well. It's exciting to explore the interesting shapes you can find on your summer adventures (quadrilaterals, triangles). Use online math games such as abcya.com desktop version. Also roll two dice and add or multiply the numbers to brush up on those number facts.

We hope time **FLIES** as we **SHORE** can't wait to work with you in September. Please have a safe and enjoyable summer with your family and friends.

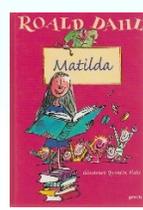

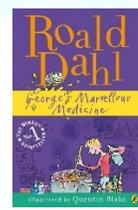

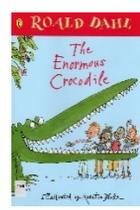

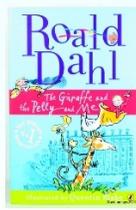

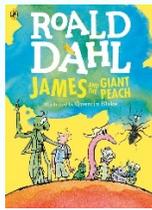

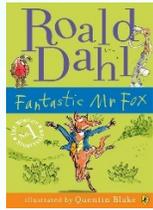

Yours truly,

Mrs. Mary Moulder mmoulder@msa.bm

Ms. Jennifer Chisnall jchisnall@msa.bm

Summer Reading Suggestions

Parents often ask for book recommendations for children to read over the summer. While it is not mandatory to read any of the books listed, you may enjoy choosing one or two to explore over the summer. No matter what your child decides, encourage them to select books they can't wait to read. They should enjoy travelling to new places so they can recommend it to a friend afterwards.

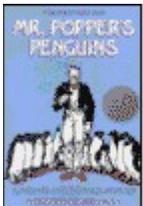

Novels by Roald Dahl such as BFG or Fantastic Mr. Fox to name a few
(hint – we'll explore Charlie & the Chocolate Factory together next year)

How to Eat Fried Worms
by Thomas Rockwell

Billy makes a bet with his friends that he can eat 15 worms in 15 days. Why not read this book to find out if he succeeds?

Mr. Popper's Penguins by Richard Atwater, Florence Atwater, Robert Lawson (illus.)

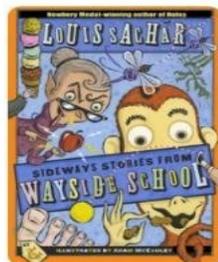

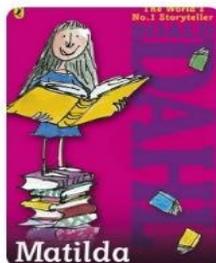

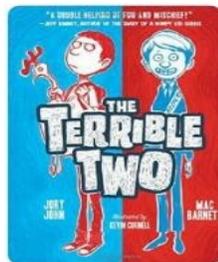

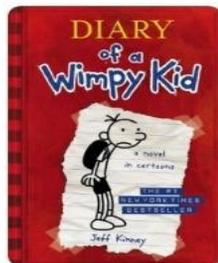

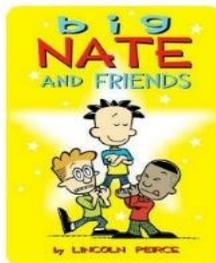

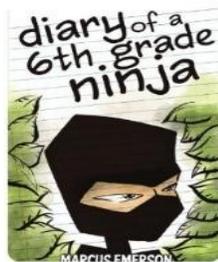

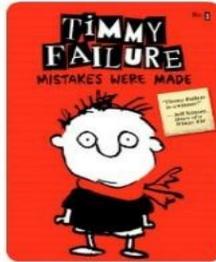

It is hard enough for Mr. Popper to support himself and 12 penguins. Read to find out what happens when he tries to make ends meet.

Explore Series Books:

- Cam Jansen Mysteries – written by David A. Adler
- Mighty Robots Novels – Written by Dav Pilkey
- Magic Tree House Historical Fantasies– Written by Mary Pope Osborne
- The Underland Chronicles Written by: Suzanne Collins
- Owl Diaries – Written by Rebecca Elliott
