## **Student Policies and Procedures**

### **High School (Grade 9 – 12)**

**This handbook consists of guidelines that provide a framework for the school's day-to-day operation. The Administration reserves the right to vary these policies so specific problems are treated on an individual basis. The policies are subject to amendment or discontinuation as the need arises. The school will attempt to keep parents informed of all the changes as soon as it is practical. However, some changes must be made to meet unforeseen circumstances.**

### **Introduction**

#### **MISSION STATEMENT**

The Mission of Mount Saint Agnes Academy is to provide quality education in a caring, Christian environment. Belief in Christ and fidelity to the Roman Catholic Church form the foundation upon which all academic learning and social interaction take place. To this end we make a strong commitment to recognize each child as an individual and to help him/her to develop according to his/her own potential in order to become a responsible member of the community.

#### **HISTORY**

Mount Saint Agnes Academy was founded in 1890 by the Sisters of Charity of St. Vincent de Paul (Halifax) who owned and operated the school until 1975. Since then, Mount Saint Agnes has been owned and operated by the Roman Catholic Diocese of Hamilton, Bermuda assisted by a Board of Governors. Saint Agnes was chosen by the Sisters as the Patroness of the school at the request of the Archbishop of Halifax (Agnes was his mother's name) and this was most appropriate since St. Agnes is the Patroness of youth. The Educational structure of Mount Saint Agnes is primarily based on the North American system. Throughout its long history Mount Saint Agnes has remained dedicated to the principles of Christian education which forms a base for the school's philosophy.

## **GOALS AND OBJECTIVES**

Mount Saint Agnes leads and guides each student to the knowledge and maturity required to assume a position of Catholic Christian leadership by:

- ✓ *Bearing witness, through example, to the message of Jesus, teaching the doctrine of Roman Catholic Faith through providing opportunities for faith experiences, and community service, and promoting the richness, depth and goodness of Catholic moral traditions and values;*
- ✓ *Striving to develop each student's academic, physical, social and aesthetic skills in a happy, safe environment;*
- ✓ *Fostering a Christian community which is sensitive to the needs, dignity and rights of others;*
- ✓ *Fostering a standard of behavior which encourages self-discipline, a positive self-image and sound moral character;*
- ✓ *Strengthening an appreciation of all students' cultures and heritage and inspiring all to make a lifelong commitment to their individual learning;*
- ✓ *Encouraging respect for bodily health and exercise, a joy in team endeavor, and confidence in physical abilities, along with a mature sense of sportsmanship.*

Mount Saint Agnes Academy will continue to keep its traditions alive, and will meet the challenge to make whatever changes are necessary to ensure that it always provides a quality Catholic education. Our success in providing this will be measured not solely by tests and academic achievement but also by the happy, productive lives of our graduates using their faith and talents to contribute to their community.

## **SPIRITUALITY AND ADHERENCE TO THE CATHOLIC CHURCH**

Mount Saint Agnes Academy is a part of the Catholic Diocese of Bermuda and serves as a very visible part of the work of the Catholic Church in our country. All students, Catholic and non-Catholic alike must respect and show courtesy for the work of the Diocese through the ministry of the school. This respect manifests itself in many ways including but not limited to:

- *Full participation of all in the prayer and the spiritual life of the school.*
- *Respect and good behavior during school liturgies.*
- *Respect for the Blessed Sacrament during liturgies with regards to Catholics receiving Holy Communion.*
- *Full participation in Religion classes.*

- *Participation in service opportunities to the Church, school and community whenever possible.*
- *Respect for all religions by teachers and fellow students and an encouragement for all students to practice their faith and religion so that all our students may grow to be spiritual adults.*

### **SCHOOL PLEDGE**

We pledge allegiance to Mount Saint Agnes Academy and fidelity to its ideals of faith, loyalty and truth. United in a noble cause, one in purpose, one in high resolve, we pledge our influence to uphold throughout the world the principles of Christian education.

### **SCHOOL SONG**

Nil Sine Deo, to learn and then to lead the way.  
 For courage, loyalty and truth are fostered here the home of youth.  
 So lift your voice in loud acclaim, for M.S.A. God bless her name.

*Chorus* For M.S.A., for M.S.A. her standards to uphold we'll fight.  
 As years roll by, until we die, we'll stand on guard  
 For the Blue and White.  
 As years roll by, until we die, we'll stand on guard for the  
 Blue and White.

Humanities and sciences and sports and class activities  
 Are blended here at M.S.A. to guide our steps to sure success  
 So let your voice ring clear and true, be loyal to the  
 White and Blue.

As Juniors come and Seniors go, the torch is passed  
 And kept aglow. Ideals run high, school spirit strong.  
 Past grads return to join our song and make the joyful  
 Chorus swell, to praise the school we love so well.

**ST. AGNES**  
**Courageous Teenager**  
**Patron Saint of MSA**

Long ago there was a beautiful thirteen-year-old girl named Agnes, who was put on trial for being a Christian. At the trial, the judge described the comfortable life she would have if she gave up her faith and married. Agnes said no. The judge threatened her with torture. Agnes still said no. So the judge had her taken to the altar of the goddess Minerva to offer a gift. Agnes made the Sign of the Cross instead. The judge condemned her to death. It was said that she went to her death more cheerfully than others go to their wedding. Agnes knew she would be going straight to God.

**How we honor St. Agnes**

This saint is one of the best-known early martyrs. Her memory is kept alive in the First Eucharistic Prayer of the Mass. The Roman Emperor Constantine built a church in her honor over her tomb. She is the patron saint of young girls.

**Prayer**

*St. Agnes, you refused to give up your faith;  
help us to be proud of our faith,  
to love it,  
to be strong in it,  
and to give witness to it daily.*

#### **AFTER SCHOOL COURTYARD**

Please note, the Courtyard is open until 5:30 pm each afternoon Monday to Friday. There are no teachers on supervision and the school will not be responsible for anything that may occur during this time.

#### **ATTENDANCE**

At Mount Saint Agnes Academy, we wish to create an environment in which students can achieve academic success. The research in this area

suggests that regular attendance contributes to student growth. For this reason we have established clear guidelines with respect to attendance expectations. We also recognize that our society values dependability, promptness, and notification when one is unavoidably absent. The Mount Saint Agnes Academy Attendance Policy is as follows:

1. Mount Saint Agnes Academy requires students to attend all classes unless prevented by reason of sickness, pre-arranged appointment or other unavoidable cause.
2. The parent/guardian is responsible for advising the school of a student's absence by telephoning the office prior to 8:15am on the date of the absence.
3. Teachers monitor attendance on a daily basis in all classes.
4. Classes missed because of school authorized activities such as field trips shall not be considered absent under this policy.
5. Absences for chronic or extended illness, or for extreme hardships may be approved by the administration when verified by physician's statement.
6. The administration reserves the right to require students to make up missed time after school or on weekends.

#### **Attendance Requirements**

Good attendance is required in all courses. When students are absent from class they are missing a considerable amount of instruction. To ensure parents are aware of their student's attendance the following will occur:

4 Absences – Referral to School Counselor

7 Absences – Referral to Administration and letter home

12 Absences – Referral to Administration for meeting with parents and follow-up

At any time a parent may be requested to meet with school personnel to discuss the student's attendance and progress.

If a student misses more than 7 days of school during a semester, it may be determined that they will have to:

High school students will repeat the semester.

Middle school students may have to repeat the year.

If there is a special/unavoidable circumstance for which a student misses school, the teachers will do everything that they can to work with the student and family in keeping abreast of school work.

**Students missing school for vacations should note that the teacher is under no obligation to provide work in advance for the student.**

The student can keep up by using Homelogic and will be given the missed work upon his or her return.

**Truancy**

Truancy is an illegal or unexcused absence from school or class. A student whose parent or guardian has not called the school to report an absence is suspected to be truant. Since truancy is a serious situation, it will be handled as a disciplinary matter.

**Late for School (Tardy/Late)**

Mount Saint Agnes Academy emphasizes the importance of punctuality and dependability and maintains a strict policy regarding tardiness. Tardiness will not be excused for reasons of tiredness, traffic (with exception when we have been advised of an accident or road blockage), or errands. Five instances of tardiness (after the two free late passes) in one semester will result in a detention on the day of the fifth tardy. All subsequent tardy arrivals will result in detention for that day only. **The length of the detention will be at the discretion of the Administration.**

**ALL STUDENTS must check into the office before going to homeroom or class if they are late. Students must obtain a late pass from the office and present it to their teacher.**

**BIKE RIDING/STUDENT PARKING**

Bikes are never to be ridden through the main part of the schoolyard during or immediately after school hours. There are no facilities for parking student cars in the school yard. All cars must be parked either in an all day parking spot or at Bull's Head Parking lot. Ordinarily, all bikes should enter through the bike gate on Washington St. Students are allowed to park their bikes in the bike shed until it is full. All others should park their bikes along the wall on Washington Street, in a marked bay. **No cars or bikes should be driven into the courtyard after 7:30 am until 3:30 pm. There are to be no bikes ridden or parked in or around St. Joseph's courtyard.**

**All students who ride bikes to school are required to register them in the Office.**

**Helmets may not be worn in the building at any time.**

**CONTACT INFORMATION**

We urge every parent to provide up to date contact information for the school office, including home and work phone numbers, cell phone numbers and email addresses so that parents and guardians can be reached either for routine communication or in an emergency. **If you**

**move or change jobs during the course of the school year, please contact the office so your contact information can be updated.**

#### **DRUGS/ALCOHOL**

Mount Saint Agnes Academy has a zero tolerance for drug use and underage drinking. We genuinely share the concern of many regarding the widespread availability of drugs in Bermuda. However, we recognize drug or alcohol abuse as a human problem, and we are committed to make every effort to provide assistance to any individual who has a drug/alcohol problem. The prevention of drug abuse and our offer of assistance to any drug user requires the complete cooperation of every student, parent and faculty member. Let it be understood that where cooperation is not forthcoming, we will act strongly to protect the welfare of the student body, and we will cooperate with existing laws and the police as is our obligation. **We reserve the right to do random testing and searches for drugs and alcohol.**

**Students found guilty of being in possession of, selling or using drugs or alcohol on school campus, at school sponsored activities, while in school uniform on or off the campus will be disciplined. Students in violation of this policy will be put on probation for the remainder of the school year and be suspended or possibly expelled.**

#### **ELECTRONIC DEVICES**

Cell phones, because of their capacity to take pictures and to communicate through the use of text messaging, are very disruptive to the educational process. Cell phones may be used before or after school by students. Any student found to be in possession of a cell phone during the school day, either turned on or off will have that phone confiscated. Students will be required to pay a fine of \$25 to get the cell phone back. (Fines collected will be donated to St. Vincent dePaul Society.) The student will then be required to turn the phone into the office each day. Along with the fine there could be a detention. Any further violation of the policy will result in the phone being confiscated until the end of the semester (January, June) and the student being given additional disciplinary action. It does not matter whether the phone belongs to the student, the parent or a friend. It will not be returned under any circumstance. Students always have the option of turning in any electronic devices into the office or keeping them in their lockers.

**The school will NOT be responsible for lost or stolen cell phones, iPods, or electronic devices.**

Students in Grades 6 - 12 may bring handheld games, laptop computers, tablets, and music devices to school under the following conditions:

- The school is not responsible for the items being lost, stolen or damaged.
- The student may only use such items before or after school.
- The student may NOT use these devices at recess and lunch.
- The student will have the item confiscated and be disciplined in the same manner as cell phones if caught using them during homeroom, class or a study hall.
- Tablets and Laptops must be registered with the office.
- **Music devices (this does not include phones) may be used in class at the teacher's discretion.**

### **EVALUATION**

Grades are based on assignments, class work, quizzes and tests as well as the semester mid term and final examinations written in January and June. Report cards are distributed twice a year and interim reports will be posted on Homelogic. Grades will be updated on Homelogic at least once every ten school days.

Evaluation referrals for individual learning needs may be requested by the school. Copies of all documentation should be provided for the school in order to assist the students with their academic needs.

### **EXAM POLICY**

Final examinations are written at the end of each semester (January and June). Middle school students write exams in June. No materials other than pens, pencils, erasers, rulers (and calculators when teachers permit) may be brought to the examination room. Scrap paper will be provided by the proctor. Any sign, verbal or otherwise, of communication among any students, including having a cell phone or electronic recording device (I Pod, etc.) in the student's possession, will automatically result in the exam and device being confiscated and the student will receive an exam grade of zero. The exam is considered to be in progress as long as any student is writing. If a student doesn't understand directions, needs paper, has a question, etc. they may raise their hand for assistance from the proctor.

Prior to the final exams, all textbooks that have been given to the students must be returned. Students may not write the final exam unless they return the book for that subject or pay the replacement cost of the book. **Tuition must be paid in full prior to the beginning of**

**semester exams or the student will be unable to write her/his exams.**

#### **FIRE DRILLS/LOCKDOWN DRILLS/EVACUATION**

Fire drills/Evacuations will take place regularly throughout the school year. Lockdown drills, which keep all students in a safe, locked place inside the school in the event of a dangerous intruder in the school, will take place as required throughout the year. All students, staff and faculty should familiarize themselves with the fire exits and emergency procedures as posted on each homeroom bulletin board. It is essential that students remain quiet and follow the directions of faculty/staff explicitly and without question.

#### **GRADE LEVEL PROMOTIONS MEETINGS**

Grade Level Promotions Committee Meetings are held after the final grades have been processed. A high school student who fails a course will be required to repeat the course or take a summer school course (if a course is offered).

It should be noted that students will have to have the requisite number of credits in each subject as outlined in the Diploma Requirements section in order to graduate. **Seniors must also have successfully completed their Senior Service Project in order to graduate.**

#### **GRADES**

Students will ordinarily be given number grades during the term. Currently, the passing grade is 50%. For information purposes, Alberta Education recommends the following for letter grades:

A – 80 – 100%

B – 65 – 79%

C – 50 – 64%

F – Failure

#### **GUIDANCE, COUNSELING AND CAREER DEVELOPMENT**

The Guidance Counselor is always available during school hours for consultation. Parents and students are encouraged to contact the Counselor directly to arrange an appointment. The role of the Guidance Counselor is to provide academic advising, career development, and personal counseling. The Guidance Counselor will assist parents/students in obtaining psychological counseling if the situation so warrants.

## **GUM CHEWING**

**The chewing of gum is NOT allowed. Students who are found chewing gum will be referred to the office for detention or other disciplinary action. Habitual gum chewers can help to clean the facility and observe first hand how bothersome gum is when not thrown away properly. Suspension and a writing assignment will be applied to habitual gum chewers.**

## **HOMEWORK ASSIGNMENTS**

Homework is an integral part of the learning process. Each member of the student body should be doing at least two hours of home study each night, Monday through Thursday, and an additional three hour period of study over the weekend. Homework does not mean just written assignments but is meant to include constant review and study of materials and at least 30 minutes of independent reading. Failure to do the latter could result in poor grades and/or performance below the potential of the student. **Please note that it is the responsibility of the absentee to request missed assignments and to designate a classmate to procure these.** If a student is to miss a class because of involvement in a school activity, he/she must see the teacher regarding work prior to missing the class. Homelogic should be used whenever possible to find missing assignments and homework.

## **HONORS**

### **Middle School**

Students are recognized and honored for their scholastic achievement. There is a mid-year Awards Assembly for Middle School and an end of year Awards Assembly for Middle and High School in June. Middle school students are able to receive the following awards:

**Honors with distinction** - Average of 90 or over, with a passing grade in all subjects.

**Honors** - Average of 80 or over, with a passing grade in all subjects.

**Honorable Mention** – Average of 75 or over, with a passing grade in all subjects.

*Middle school honors are calculated by averaging the option courses and applying the average to the individual core courses (Math, Language Arts, Social Studies, Science and Religion) in order to determine the final average.*

## **High School**

High school students are able to receive the following awards in June:

**Honors with distinction** - Average of 90 or over, with a passing grade in all subjects.

**Honors** - Average of 80 or over, with a passing grade in all subjects.

**Honorable Mention** - Average of 75 or over, with a passing grade in all subjects.

*High school honors are calculated by averaging all of the individual five credit courses. For CTS courses (which are one credit courses), five one credit modules are combined to form the equivalent five credit course.*

## **NATIONAL HONOR SOCIETY**

The purpose of the Elizabeth Seton Chapter of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the high school students of Mount Saint Agnes Academy.

The four qualities of NHS are scholarship, service, leadership and character. The selection process evaluates all four qualities. The Faculty considers how students display these four qualities both at MSA and in the community.

## **ILLNESS OR INJURY**

If a student becomes ill or injured during the school day, he or she should report to the school office where assistance can be provided. If it is necessary for the student to go to the hospital or home, the school's administrative assistants (Mrs. Fletcher or Mrs. Pimentel) will make arrangements and call a parent or guardian. **The school will not dispense any medication unless we have a signed permission form which may be obtained through the office or the school's website. Students bringing medications to school should secure it in the office for safekeeping. The school does not have Tylenol or Aspirin, cough drops, or any other over the counter drugs available for students.**

## **LEAVING SCHOOL CAMPUS**

No student is allowed to leave the school campus during the day without a note or phone call from a parent or guardian or without the permission of a teacher and the office. Permission to leave the campus will be given for medical and dental appointments. However, these should be scheduled after school hours or during holidays. All other

appointments, when at all possible, should be made after 3:30 p.m. If a student has reason to leave the school building during the school day, he or she will be asked to sign the "Sign-Out" book in the office. Students who leave the school without following the policy are considered truant from school and will be dealt with through a detention or suspension.

### **LIBRARY AND MEDIA CENTER**

Students are encouraged to use the Library and Media Center as a resource center or for recreational reading. The Library has an extensive collection of both fiction and non-fiction books for grades K through 12 and beyond. The Media Center should be considered not only as a classroom for instruction, but also as a resource for both students and faculty to complete assignments and to work on papers and reports. Students wishing to use the Media Center must sign-in with the Librarian. **No student should use the Media Center unless supervised by an adult.** The Library will be open at specified hours outside of class time to provide students with a better opportunity to make use of it. Special arrangements can be made for overnight use of research material. The Media Center printer and photocopier, **under the direction of the Librarian**, are available for student use. A fee is charged for this service. Books not returned at the end of the semester may result in report cards being held until the book is paid for or replaced.

We have an automated Library system called Destiny which allows students to look through our book collection online, and reserve and renew books. In addition, Destiny is linked to age and content appropriate sites on the internet as well as The Bermuda National Library.

### **LOCKERS**

Each student is assigned a locker for the storage of books and other necessary school supplies. **Lockers must be locked at all times with a school lock.** While the locker is provided for the student's use, it remains the property of the school. No change to the locker is permitted. The school reserves the right to inspect lockers at any time. It is the student's responsibility to see that the locker is kept in order at all times. Opening or tampering with another student's locker is strictly prohibited. All decorations inside the locker must be in good taste and consistent with the school's philosophy and mission. Outside locker decorations are not permitted and will be removed. Any problems with lockers should be reported immediately to the office. The cost of repairs for damage caused by misuse or abuse of a locker or

lock will be charged to the student to whom the locker is assigned. Replacement locks cost \$10.

#### **LOST AND FOUND**

Valuable articles when found should be brought to the office. Other items can be dropped in the box located in the main hallway near the Business Office. Students should periodically check this box for lost items.

#### **LUNCHES**

The students should pack healthy lunches to be brought to school each day. There will be an opportunity to get hot lunches through LaTrattoria from Monday to Friday. The students will not be allowed to leave the school to obtain lunch.

The High School students have lunch in the Senior Lunch Room. Grades 6-8 have lunch in the Junior Lunchroom.

**Parents, family, and/or friends are to deliver lunches to the school office and not to the student. Students will be contacted by the office to collect their lunch. Delivering lunches to students through the gates is strictly prohibited and will result in disciplinary action.**

#### **MAKE-UP TESTS**

In the case of an absence, the student will be responsible for making up class work, assignments and missed tests. Obtaining all make-up work and arranging for missed tests is a student's responsibility. In general, a student absent only on the day of a major test will take it during the next scheduled class. Prolonged absence for serious illness will be taken into consideration by individual teachers when determining make-up work. After two or more absences on a scheduled test date in the same subject area, a doctor's certificate will be required in order for the student to be given make-up work.

#### **SALE OF ITEMS/GAMBLING**

No student is to make personal transactions regarding the buying or selling of items to other students while on the school campus. Any bike parts within the school building or yard will be confiscated. Gambling is strictly prohibited on school grounds.

#### **SENIOR PRIVILEGES**

It is customary for the administration to meet with representatives of the senior class and senior class faculty to communicate certain privileges afforded to seniors only. These privileges will be announced

on a year-to-year basis. Privileges may be revoked for individuals or the class in cases of student misconduct or academic probation.

#### **TEACHER CONFERENCES**

In addition to the regularly scheduled Parent/Teacher/Student meetings, parents may request a conference with a teacher at any time during the school year. Requesting a meeting with the teacher may be done via email or through the voice-mail system. Parents are also encouraged to email teachers with questions or concerns. Details of accessing teachers' email addresses can be found on the school's website or by calling the office.

Please note the dates of Parent/Teacher/Student Conferences in the calendar and on the website. *Students are expected to attend the conferences with their parents.*

#### **TEXTBOOKS, SUPPLIES, CARE OF PROPERTY AND POSSESSIONS**

Students are issued the textbooks they will need in the specific subjects they are studying. The responsibility of taking good care of these books and returning them to the teacher is that of the student. If a textbook (or supplementary book) is lost, the cost of that book is assumed by the student. Students must keep their books in assigned lockers when not needed for classes. **All textbooks assigned to the students should be covered.**

Mount Saint Agnes students should take particular pride in their possessions and in their school. Care should be taken of desks, classrooms and all school property. Any damage or carelessness ultimately hurts parents by placing an additional burden on them in order to replace damaged materials and facilities as well as facing possible disciplinary action.

#### **TOBACCO POLICY**

Students are not permitted to smoke or use smokeless tobacco products or any other devices that imitate cigarettes (electronic cigarettes) on the school campus, at any school sponsored event, or at any time while in uniform. Students may not have lighters or matches in their possession. The Mount Saint Agnes campus is a smoke free facility. Students who violate this policy will receive disciplinary action from the administration. Students found in possession of tobacco products will have them confiscated and they will be suspended.

## **TRANSCRIPTS**

As MSA is an Accredited International School under the direction of Alberta Education, our high school students are working toward an Alberta High School Diploma. All final grades for each course taken in high school are transferred to Alberta at the end of each semester. Transcripts are then forwarded from Alberta to universities, colleges and for scholarship committees. The Administrative Assistants and the Guidance Counselor will work with students to facilitate the ordering of transcripts. There is a charge of \$10 per transcript. While the student is attending MSA, the school will cover the cost. For students who graduated prior to 2013, transcripts, letters of attendance and letters of reference may be ordered through the Main Office. The cost for a transcript is \$10 each. Transcripts and letters of attendance require one week's notice. Letters of reference requires two week's notice.

## **VALEDICTORIAN AND SALUTATORIAN**

## **CONDUCT AND DISCIPLINARY CODE**

Mount Saint Agnes Academy is dedicated to providing every student an opportunity to pursue excellence consistent with the school's mission and the teachings of the Roman Catholic Church. Good conduct on the part of all students helps to create a safe and fair environment for students, staff, teachers and visitors. In addition, we believe that learning, experiencing and accepting consequences for inappropriate behavior are essential for the social, moral and spiritual development of all students. The teachers and staff are expected to treat students fairly, showing gentleness when possible and firmness when necessary.

The following statements should be the hallmark of every student at Mount Saint Agnes Academy:

- **Strive always for a close relationship with God and allow God's presence to be easily observable in all our endeavors;**
- **Create a school environment that respects the uniqueness, individuality and differences of all people, no matter their race, ancestry, place of origin, colour, ethnic origin, citizenship, gender, sexual orientation, religion, physical appearance, age, disability, academic or athletic ability;**
- **Demonstrate honesty and integrity;**
- **Respect all members of the school community, especially persons in positions of authority;**
- **Respect differences in people, their ideas, and their opinions;**
- **Treat all adults in our school with equal respect and follow their instructions;**
- **Treat one another with dignity and respect at all times, and especially when there is disagreement;**
- **Seek assistance from a member of the school staff, if necessary, to resolve conflict peacefully;**
- **Show proper care and regard for school property and the property of others;**

### **EXCLUSION FROM CLASS**

Students who have violated classroom rules or have been disrespectful to a teacher may be excluded from the class. Students must report to the office immediately to complete an Exclusion Form. Students will NOT be permitted to attend this class until the matter is resolved. **It is the student’s responsibility to contact the teacher to make arrangements to resolve the issue. It is at the teacher’s discretion whether a detention will be given with the exclusion.**

### **EXCLUSION POLICY**

1<sup>st</sup> Exclusion

Interview with an administrator. Exclusion Form is taken home to parents. Exclusion Form to be returned signed. Student to meet with the teacher to resolve issue.

2 <sup>nd</sup> Exclusion	Meeting with the parents/guardian, teacher, counselor, student and administrator to resolve the issue. Half day in school suspension. Complete discipline package.

4 <sup>th</sup> Exclusion	Three day out of school suspension from school. Meet with MSA Disciplinary Committee to review behaviors and consider future options.
5 <sup>th</sup> Exclusion	Recommendation for removal from school

**To be excluded from class is a very serious offense. All effort should be taken to correct the behavior so there are no future occurrences. Exclusions are cumulative throughout the year and are not semester specific.**

#### **DETENTION**

Any teacher or administrator has the authority to issue a detention to a student if that teacher or administrator recognizes this to be in the best interest of the student. A student who receives a detention must serve it on the same day it is issued or the consecutive school day at the discretion of the teacher. For minor infractions, detentions are 45 minutes in length and begin five minutes after the last class period of the day. It is the student's responsibility to make the necessary arrangements to assure his or her presence at the detention. For more serious infractions, students may be issued double detentions or in-school suspensions.

Detentions take precedence over all extra-curricular activities but not over other classes which meet for a grade. Consequently, a student is not permitted to attend athletic practices (including traveling to games) or clubs until the detention has been completed. During the detention the student may be required to do a "detention work package". Failure to serve a detention when scheduled will result in an additional detention being issued and further disciplinary action, including the possibility of a suspension.

### **SUSPENSION – IN SCHOOL OR OUT OF SCHOOL**

Suspension is the temporary removal of a student from the classroom or from the school, including participating in extra-curricular activities. The administrators may issue a suspension if it is believed that a student's behavior is serious enough to warrant this action or if the student fails to respond to lesser disciplinary measures. A student will remain suspended until the student and his/her parents have met with the administrators and they are satisfied that the student intends to change his/her behavior. Suspended students are not permitted to attend school functions both on and off campus—including athletic events.

Because we want to encourage a student on suspension to keep up with his or her academic work, the student may make up work missed during the suspension.

### **EXPULSION**

Expulsion is the permanent dismissal of a student from Mount Saint Agnes Academy for disciplinary reasons. The administrators may issue an expulsion. A student may be expelled for repeatedly disregarding school rules or for serious conduct unbecoming a Mount Saint Agnes Academy student.

### **EXPULSION AND DUE PROCESS**

The parents/guardians of a student who is expelled may appeal the dismissal to the Board of Governors within two (2) days of the action by submitting, in writing, a letter addressed to the Board Chairman stating the reasons for the appeal. The committee will conduct an impartial hearing and give its decision in writing within two (2) days thereafter. The decision of the Board of Governors is final.

### **PROBATION**

A student who has been receiving detentions, exclusions and suspensions may be placed on probation for a semester or the remainder of the year. A student's infraction of any school rule while on probation may be cause for further disciplinary action or dismissal from the school.

All students new to Mount Saint Agnes Academy are placed on probation for one year.

### **BEHAVIOR CONTRACT**

Any student who is repeatedly receiving detentions, exclusions, and suspensions can be placed on a Behavior Contract which must be signed daily by teachers, parents and administration. This is a trial

period during which the student must demonstrate that he or she has corrected the unacceptable behavior, attitudes or bad habits. While on the Behavior Contract the student is considered to be on Probation. Probation remains in effect for a least the entire semester for which it is issued. A student's infraction of any school rule while on probation may be cause for further disciplinary action or dismissal from the school. **All students new to Mount Saint Agnes Academy are placed on probation for one year.**

## **GENERAL STUDENT HARASSMENT POLICY**

Mount Saint Agnes Academy is committed to maintaining an educational environment in which all individuals treat each other with dignity and respect. This environment will be free from all forms (verbal, written, on-line or in-jest) of intimidation, exploitation, bullying and harassment, verbal or non-verbal, including sexual harassment. Any threats, harassment, bullying, fighting, injury, or damage to a person or property of any person, by any individual or group is strictly forbidden. Such actions render the student liable to detention, suspension, or expulsion.

### **BULLYING AND HARASSMENT**

In keeping with the School's commitment to provide a safe environment, behavior which jeopardizes the emotional well-being or physical safety of students or staff shall not be tolerated. Bullying will not be accepted on school property, at school-related activities, or in any other circumstances where engaging in bullying will have a negative impact on the school climate. The School acknowledges that bullying adversely affects a student's ability to learn and the school's ability to educate its students.

**Bullying is typically a form of repeated, persistent, and aggressive behavior directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem, or reputation. Bullying occurs in a context where there is a real or perceived power imbalance.**

Neither the school's network nor the broader Internet (whether accessed on or off campus, during or after school hours) may be used for the purpose of harassment. All forms of harassment in cyber-space, often called cyber bullying, are unacceptable. Cyber-bullying includes, but is not limited to: misuses of technology; harassing, teasing,

intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful email, instant or text (messages, digital pictures, or images, or website postings including blogs).

Students are not permitted to digitally photograph or record audio or video of school activities without first obtaining permission from those involved. A teacher or administrator may give permission for the digital recording of school activities and events (sports games, assemblies, special presentations) where the participants are aware that they may be recorded. The online digital posting of classroom activities, and/or inappropriate student interactions is likely to have a negative impact on the school climate and/or violate the privacy of others who have not granted permission to be recorded. Recording with out permission and/or posting such recordings will result in severe disciplinary action.

All reports of harassment in cyber-space (cyber bullying) will be investigated. Disciplinary action may include, but not be limited to, the loss of computer privileges, detention, police involvement, suspension, and, if necessary, expulsion.

Students who feel victimized by other students or employees of the school should report the harassment/bullying to a teacher, guidance counselor or administrator. Likewise, if a student feels another student is being victimized, they should report the harassment or bullying to a teacher, guidance counselor or administrator. All concerns will be investigated and the appropriate disciplinary action taken by the administration.

Students using the gym should be supervised at all times.

## **ACCEPTABLE USE POLICY FOR THE SCHOOL SPONSORED COMPUTER NETWORK AND INTERNET USAGE**

The purpose of the Mount Saint Agnes Academy **Acceptable Use Policy** is to educate students, parents/guardians, staff, faculty and employees about why certain activities are harmful and, therefore, prohibited. The policy lists the rules and regulations for use of the school wide network and technology equipment. An attempt to identify all technologies and list possible misuses of them is impossible. Therefore, throughout this policy, the term “technology” will be used to reference all existing and new devices or systems that are now used or that will be available in the future. Such technologies now include computers, handheld devices, cell phones, iPods, tablets, and digital cameras.
