Supporting MSA's Annual Giving Program is an investment in assisting today's students to become tomorrow's leaders.

Your generous donation will be used to support:

- Technology Growth
- Facility Upgrades
- Student Activities Enrichment
- Financial Aid

If you would like your donation allocated to a specific area of support, please advise with payment.

Since 1890, MSA has been dedicated to offering children the strongest academic, moral and spiritual foundation possible.

As an Alberta Accredited International School, MSA delivers a world-class curriculum. Our student-centered approach ensures students are provided the encouragement to develop their skills to fulfill their maximum potential.

Our students are afforded the opportunity to explore and develop individual talents and interests through a robust offering of athletic and extra-curricular programs.

To be the best requires constant renewal and improvement. Tuition alone cannot meet that goal. MSA's Annual Giving Program will provide much needed funding in this quest.

We invite our alumni, parents, and the broader community to participate in this meaningful program.

Your gift to MSA is more than a pledge of financial support; it is a bold statement that excellence matters in a well-rounded education.
